Re: **FOIA Request on Behalf of Jonathan J. Pollard**

Dear Ms. Ouellette:

This is a request pursuant to the Freedom of Information Act, 5 U.S.C. § 552, made on behalf of our client Jonathan J. Pollard.

On March 4, 1987, Mr. Pollard was sentenced to life in prison in the United States District Court for the District of Columbia. Prior to sentencing, five documents were submitted to the court (the "Five Documents"). The Court Security Officer redacted the Five Documents and designated the redacted portions of the documents as classified.

The Five Documents are:

- (i) Declaration of Secretary of Defense Caspar W. Weinberger, filed with the Court Security Officer on January 9, 1987 (Tab A)
- (ii) Defendant Jonathan J. Pollard's First Memorandum in Aid of Sentencing (undated) (Tab B)
- (iii) Defendant Jonathan J. Pollard's Second Memorandum in Aid of Sentencing, served February 27, 1987 (Tab C)

August 17, 2010

- (iv) Government's Reply to Defendant's Sentencing Memorandum, served March 3, 1987 (Tab D)
- (v) Minutes of sentencing dated March 4, 1987, at p. 57 (Tab E)

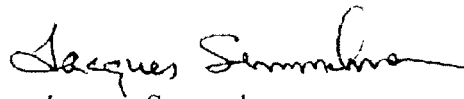

Redacted copies of the Five Documents are attached. January 9 to March 4, 2012 will mark the twenty-fifth anniversaries of the classification of the Five Documents. Inasmuch as Executive Order 12958 mandates a declassification review prior to the twenty-fifth anniversary of the classification designation, we would expect that by now such a review has occurred, or is at the very least underway.

We request copies of the following:

- (1) Any and all documents and records which indicate whether or not there has been a declassification review of any portion of any of the Five Documents, or which indicate when a declassification review will occur.
- (2) Any and all documents and records which reflect any declassification review of any of the Five Documents, including any determination whether or not to declassify any portion of any of the Five Documents, and the bases therefor.
- (3) Any and all documents and records which specify or reference any actual or projected dates of declassification of any portion of any of the Five Documents.
- (4) Each of the Five Documents in unredacted form.

We agree to pay fees for this request up to a maximum of \$250. If you estimate that the fees will exceed this limit, please inform us first.

Very truly yours,

Jacques Semmelman
